

CAMP SLOANE YMCA

For Boys—For Girls—For Leaders

Camp Sloane YMCA is “A Place to Grow” for our camper AND our staff. Our seasonal counseling staff is the very most important asset we have. Staff members are expected to put their campers at the center of their lives in all that they do while at camp. We employ young people from colleges and universities across the United States and the world. We believe deeply in the camp experience that we create - the professional staff at Camp Sloane YMCA is composed entirely of people who have lived and worked directly with children at summer camp. It is truly the hardest job you will ever love, and is the job which many of our staff members value most in their young adult life. Camp Sloane YMCA is an experience that truly lasts a lifetime.

Don't take it from us, though!

Ask for a **Staff reference** and we'll put you in touch with someone you will actually work with this summer!

At Camp Sloane YMCA, we currently have a variety of positions open for staff at all levels. This includes:

- **Counselor positions** in a variety of activity areas, including boating, waterfront, Horseback riding, waterski, and athletics.
- **Supervisory positions** for both our living sections and activity areas.
- **Support staff** positions, including office staff, kitchen, and maintenance.
- **Health lodge** positions, including EMT, LPN, and RN positions.

The pay at Camp Sloane YMCA is nationally competitive, and increases with age, experience, and certifications.

The facility is second to none, a 270-acre private property with a mile of lakefront on a virtually private lake.

What else will I get in addition to Salary?

- Numerous **certification** opportunities at NO COST to you!
- Work with a **professional staff** with MORE THAN 80 YEARS combined experience.
- You will gain more **“contact hours”** with children than in ANY OTHER JOB.
- Be a part of a camp family that will last your entire life!

But what can I do on my days off? How about a day trip to **New York City**—we provide the van service to the local commuter train! Or a day hike on the **Appalachian Trail**—2 miles from camp! Or take in a play or concert in **Great Barrington, Massachusetts**—one of the most cultural small towns in the USA. Rent a pontoon boat with your friends on **Twin Lakes**—just minutes from camp. The list goes on, and when you get here, you will get to create one yourself!

Most folks looking for a camp experience have lots of questions, and we think that is a good thing! Contact us at akeener@camp-sloane.org or by calling (800) 545-9367 and ask away!
